### Glossary

**Agriculture:** The use of land and premises for the growth and production of food, fibre, flowers and foliage for human consumption or use.

**Farm gate:** The farm gate value of a cultivated product in agriculture is the net value of the product when it leaves the farm, after marketing costs have been subtracted; it does not include costs for shipping, handling, processing, storage, and marketing.

**Regional Planning Minister:** The Minister administering section 2.5A of the *Integrated Planning Act 1997*. 

**Regulatory Provisions:** State Planning Regulatory Provisions made in respect to the South East Queensland Regional Plan.

**Rural precinct:** Land endorsed by the regional planning Minister in a gazette notice as a rural precinct for the purposes of the regulatory provisions of the SEQ Regional Plan.

**Rural village:** A location named in accordance with the *Place Names Act 1994* that comprises residential dwellings, some urban activity and is not located within the Urban Footprint.

**South East Queensland Regional Plan:** The *South East Queensland Regional Plan 2009–2031*, developed in accordance with section 2.5A of the *Integrated Planning Regulation 1998*.

**South East Queensland region:** The 11 local government areas within the South East Queensland region and the waters adjacent to these areas as defined in section 3A part 1 of the *Integrated Planning Regulation 1998*.
